NOTES:

- EDS accuracy and content of this drawing are dependent on the original specification and EDS should be consulted before use of other copies or use in CAD form.
- Where underground services are shown, of responsible care has been taken within the limits of the original specification and equipment. Before use of this information the user should consult EDS and verify themselves of the completeness and accuracy of each detail before undertaking any works. Due to the nature of this work and the limitations imposed by ground conditions and the detection equipment no guarantee can be given that all services have been recorded.
- All measurements on this drawing shall be the original initial representation on this drawing but only EDS shall be liable for their accuracy. EDS shall not be responsible for any errors or omissions of our clients. Any comments are most welcome.
- All levels and coordinates are related to the datum described.
